JOB NO. 218341

NATASHA STOYNOFF

A. I walked in and he -- I walked into the room first and I'm looking around the room wondering what does he want to show me. Nice room, what does he want to show me. Then I hear the door close behind me and I turn around and he's right here (indicating), and he grabs my shoulders and pushes me against this wall and starts kissing me.

Q. And did he say anything when he started kissing you?

A. No.

Q. Did he say anything before?

A. Not that I recall.

Q. And what was going through your mind when Donald Trump did this?

A. Complete shock. Thank you. Complete shock because it was very fast and I was taken -- taken by surprise.

Q. And do you recall how you reacted?

A. I recall pushing him back twice. I recall trying to say something, but not really being able to. I was so flustered.

Q. And when you pushed him back the first time do you recall how Donald Trump reacted?

A. Yes. He just came toward me again.
